APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application free from deleterious matter, and with the further understanding that the proof of such beneficial use when filed will show the power generated and the amount of water required and used therefrom. This permit is also subject to the provisions set forth in the ruling dated August 7, 1948 filed under application No. 11685. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 6.0 cubic feet per second.

Actual construction work shall begin on or before August 8, 1949.

Proof of commencement of work shall be filed before September 8, 1949.

Work must be prosecuted with reasonable diligence and be completed on or before August 8, 1951.

Proof of completion of work shall be filed before September 8, 1951.

Application of water to beneficial use shall be made on or before August 8, 1952.

Proof of the application of water to beneficial use must be filed with State Engineer on or before September 8, 1952.

Map Filed OCT 3 1946

Proof of commencement of work filed JUL 13 1951

WITNESS MY HAND AND SEAL this 24th day

Cancelled OCT 8 1955

of September, 1948.

ALFRED MERRITT SMITH
State Engineer.
